Air Arms ProSport

- Elegant Design and Look
- Field Target Competition Accuracy

The Beech ProSport is regarded by many as the most accurately operated rifle available. The model comes with a highly tuned mechanism normally associated with a highly tuned rifle, such as a 12 groove Lothar Walther barrel, a two-stage trigger which make this gun a real contender. The synthetic bearings provide tuned "out of the box" accuracy. Last, but not least, the ProSport has an ergonomically designed, combed, beautiful beech sporter stock.
