## 2024 High Plains Air Gun Metallic Silhouette National Championships August 12th-13th-14th-15th & 16th

(Hosted by the Oklahoma City Gun Club)

Jim Fields-Match Coordinator-405-203-1268  
OKC Gun Club is located dead center in the USA.  
Only 18 miles NE of downtown Oklahoma City,  
6 miles east of Interstate 35. Our club covers 600  
acres & has 24 different divisions, 5 of which are  
AIR gun divisions. Our AIR Rifle Metallic Silhouette  
Division monthly matches early last year with  
great success on our 50-acre silhouette range.  
Having hosted hundreds of long-range pistol  
silhouette championships, plus 8 World  
Championships, we have the range & experience  
to host an AIR Gun National Championship.  
We have over 50 RV hook-ups available

So, we would like to offer our multi-million dollar  
silhouette complex to the AIR gun community  
across our great nation to attend the first-ever,  
inaugural AIR Gun Metallic Silhouette National  
Championships. Also, a banquet mid-week.

All targets are on a wireless pneumatic system  
that can re-sets targets from 25 yards out to 500  
meters in about 60 seconds. Total weight of these  
targets exceeds 4,000 pounds.  
A big-bore gun & a Small-bore gun needed to  
shoot both disciplines.

Targets are Rams, Turkeys, Pigs & Chickens in 3  
sizes, the larger targets are for big-bore (BB) & the  
smaller 3/8th & 1/5th scale are for small-bore (SB)  
The BB range is in meters, Rams, 200, Turkeys,  
150, Pigs, 100 & chickens, 50, shot in that order,  
from left to right. These BB targets require at  
least a .308 caliber BB gun. See Air Rifle Rule Book  
for both BB & SB on our web page for details.

Rule book for more info.

for all four disciplines, (1) Big Bore (2) 3/8 Small-  
Bore (3) 1/5 scale Small Bore) & (4) Speed Silhouette  
Xtreme. (all 40 rounds).

**CASH payout**, \$20,000, this is based on 100

payout; pays 1st thru 5th place in all four  
disciplines. Some funds have to be set aside for  
match expenses.
