

Friends,

With just a week till the 2023 TEXtreme Field Target Championships, an update is in order. And having just had another awesome meal at Uncle worm's Smokehouse, that seems a good place to start. I now have the details of next Saturday and Sunday's catered lunches pinned down.

As a reminder, the meals being optional they are not included in our match fees. Rather, **the catered lunches are available only BY PRE-ORDER BEFORE WEDNESDAY, NOVEMBER 29; to be paid for when you take delivery Saturday and/or Sunday.** Here's the menu-

6oz Flat Iron Steak

Hand Cut Daily & lightly smoked then grilled served with
Purple Mash and Mixed Veggies

\$15

Rosemary Chicken

Grilled Chicken Thigh paired with Lemon Rosemary
Cream Sauce served with Rice Pilaf and Pan Braised
Veggie Medley

\$12

Ol' School Brisket Sandwich

Worm's Famous Brisket with sauce pickles onions
and classic bag of Lays

\$12

If you want to take advantage of the catered lunches you must COMMIT before this-coming Wednesday by returning me pre-registration with the appropriate lunch choices selected. Yes, you can order lunches for spouses on the form also. Next Wednesday I'll submit the lunch orders to Worm so he knows exactly which hot meals to deliver Saturday & Sunday. The hot meals to be delivered at 1-1:30 Saturday and noon-12:30 Sunday, hopefully 3 hours is time enough to complete shooting each rifle match.

On a different subject, Friday's pistol EFT match will include **NO forced position shots**. You're welcome.

Lastly (for now), we will also award a Two Gun Champion prize to the shooter posting the highest pistol + rifle matches aggregate score of the weekend. This being **the first and ONLY such award in Human history**, the 2023 Overall Pistol-Rifle TEXtreme State Champion engraved genuine 24 carat gold (colored) pellet tin holds immensely more hubris than its size belies. **And it can hold pellets, too!**

It just keeps getting better and better, Y'all!

See You Then,
Ron & Maggyy
